SENATOR DWORAK: Mr. President, colleagues, I move the advancement of LB 295 to Enrollment and Review for engrossment.

PRESIDENT: Discussion of the motion? Senator Murphy.

SENATOR MURPHY: Mr. President, I can't quite conceive of the congestion and difficulty that extending the required waiting period, from 2 days to 5 days, brings about in our court system. I can see an awful lot of problems that a cooling off period might very well resolve. Time to properly plan the wedding, maybe even buy a gown. I am very much opposed to this reduction of waiting period from 5 days to 2 days. Subject to some very definitive reason that we are causing some kind of a conflict in our court system by a 3 day extended waiting period. I think we might prevent an awful lot of unfortunate marriages by maintaining the present 5 day waiting period. Accordingly, I would move to indefinitely postpone this bill.

PRESIDENT: There is a motion to indefinitely postpone LB 295. Senator Luedtke.
